

PACKAGING

PACIFIC

KRAFT UNION

WATER RESISTANT

COMPOSITION

- ▶ Paper / bitumen / paper
- ▶ Paper / reinforced bitumen / paper

QUALITY OF PRODUCT

- ▶ Water barrier
- ▶ Easy and quick to use
- ▶ High resistance to perforation
- ▶ Tear resistant. Additional option to strengthen material

APPLICATION USE

- ▶ Complex packaging for products sensitive to humidity
- ▶ Can be used as an ocean liner storage protector
- ▶ Bundling solution against humidity for export shipments

PALLETIZATION

- ▶ Standard width 1000 mm, 1200 mm, 1400 mm
- ▶ Available in sheets and roll format
- ▶ Others sizes available upon request

SPECIFICATION SHEET

		PACIFIC 150	PACIFIC ARME 150	PACIFIC 180	PACIFIC ARME 180	Standards
Without bitumen						
Weight		50 g/sqm	50 g/sqm	63 g/sqm	60 g/sqm	ISO 536
Tensile strength	MD	44 N	44 N	40 N	40 N	ISO 1924-2
